Scenic Beauty Award - NOMINATION FORM

Since 2006 Citizens for Scenic Wisconsin has recognized individuals and organizations that have made a special effort to protect or enhance the quality of our visual environment. Past recipients include government agencies that have implemented programs to preserve and protect our scenic Wisconsin, individuals that have maintained rural landscapes and volunteer organizations that have beautified their urban communities.

If you are aware of an individual, business, volunteer group or government agency that has made a positive impact on our scenery, please submit a nomination. Use this form and include a narrative describing the nominee’s scenic efforts. Include photos. Or send a letter or email with the information requested on the form and a narrative describing the nominee’s scenic efforts. Include photos, digital preferred.

The following criteria will be used in deciding awards, *but nominees do not have to meet all four criteria:*

1. Impact on the attractiveness of the State of Wisconsin
2. Potential to be used as a model by others
3. Uniqueness
4. Effort relative to size of the organization

The nomination deadline is December 1st for this year's award.
